MoU Short-term Rental Santa Barbara

Last Modified on 16/04/2019 2:17 pm CEST

Why did we select this MoU?

This memorandum provides an interesting look at the considerations of a county. It “summarizes the various concentration methods used for short-term rentals, provides examples of studies on housing affordability, speaks to the enforcement of TOT certificates by the Tax Collector, and summarizes the Montecito Planning Commission’s direction.”
