An Analysis of the Labor Market for Uber's Driver-Partners in the United States

Last Modified on 06/18/2018 8:03 am EDT

Authors: Jonathan Hall and Alan Krueger
Date published: January 2015

Why did we select this research?

This paper from Princeton University provides the first comprehensive analysis of Uber's driver-partners, based on both survey data and anonymized, aggregated administrative data.It explores Uber driver demographics,employment history and motivations for partnering with Uber.
