Author: Barcelona

Date of publish: 2018

What's the main topic of the Summit?

Gathering of city mayors, experts on sharing economy and other key players in the field. This cities council meeting provided an arena for discussion on how the continuous growth of collaborative economies impacts the life and economic development of cities.

Key findings:

- Innovative measures to be taken as to face the challenges and opportunities of the sharing economy.
- Data and its role both within the city and amongst cities.
- Role of technology.
